

When you read your Bible, we hope that you may see the Bible as one grand narrative. It is a description of how God created a paradise for us, and how He will one day restore it, through His Son, Jesus Christ.

In the above illustration a timeline of the Biblical story is presented. It is split into seven major stages, to help you see the big picture of God's plan of salvation for the world and for you!

"We have nothing to fear for the future except as we shall forget the way the Lord has led us, and His teaching in our past history." *Ellen White, Life Sketches, p. 196*

THE BIBLE IN A YEAR - mix and match

is for the one who wishes to read their Bible through in a year. You receive 2-4 chapters a day and are in that way guided through the Biblical Story. The study plan is split into seven sections, so your reading is varied daily throughout your study.

Read one passage at a time and mark out the space afterwards. Ask God to open your eyes and your heart for the inspiration that is to be found in this book.

Our hope is that you through your reading will get to know Jesus and better understand God's plan of salvation for people in this world!

May God bless your Bible reading!
