

# RE:CONNECT

A time  
to be  
together

What do you like to do when you need a rest and want to feel re:freshed or re:charged?

What is 'the Sabbath' and why do people hold it?

Describe an ideal Sabbath that YOU would enjoy experiencing.

Brainstorm and talk about questions you have about the Sabbath.

EG. Why is it spelt with a capital letter? What does it mean to 'hold' Sabbath?  
What does it mean that someone shouldn't do work for me?  
(Deuteronomy 5:13-14)

Was the Sabbath made for humans, or humans for the Sabbath?

Look at **Mark 2:27** to find out.

Then He said to them, "The \_\_\_\_\_ was made for \_\_\_\_\_, not \_\_\_\_\_  
for the \_\_\_\_\_."

Humans are a big reason for the Sabbath, but the day is also for whom?  
(Exodus 20:10)

? What is the difference between these 2 ideas?

The Sabbath was made for humans.

**versus**

Humans were made for the Sabbath.

? Does this change what activities you might do on Sabbath?

? What are your thoughts on this quote?

"I don't keep the Sabbath - the Sabbath keeps me!" - Michael Pearson

? How you would explain Sabbath to someone hearing of it for the 1st time?

I woke up and went downstairs to find out that it was my birthday. It wasn't actually my birthday, but I was staying with some friends who wanted to celebrate me and wouldn't be able to on the actual day. So they had planned a whole day full of time together doing things that I like, with people I love. They had prepared their schedule in advance to create time for togetherness with me. Can you imagine how special and loved I felt?!

- ? How would you feel if someone arranged their schedule just so that they could spend more time with you?
- ? On the flip side, how would you feel if you and a friend had planned to spend time together, and they arrived late, brought their chores with them and were busy and distracted the whole time?

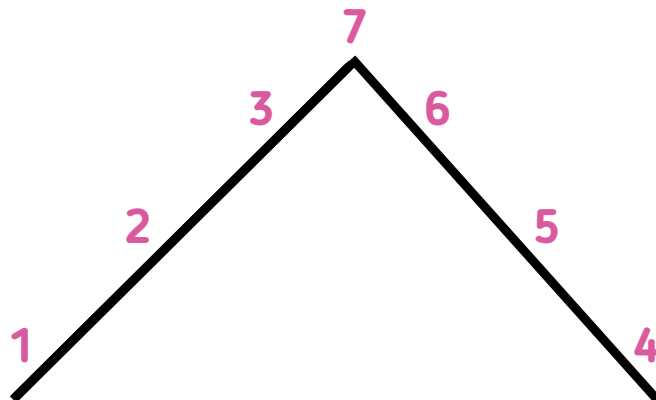

## CHIASTIC STRUCTURE

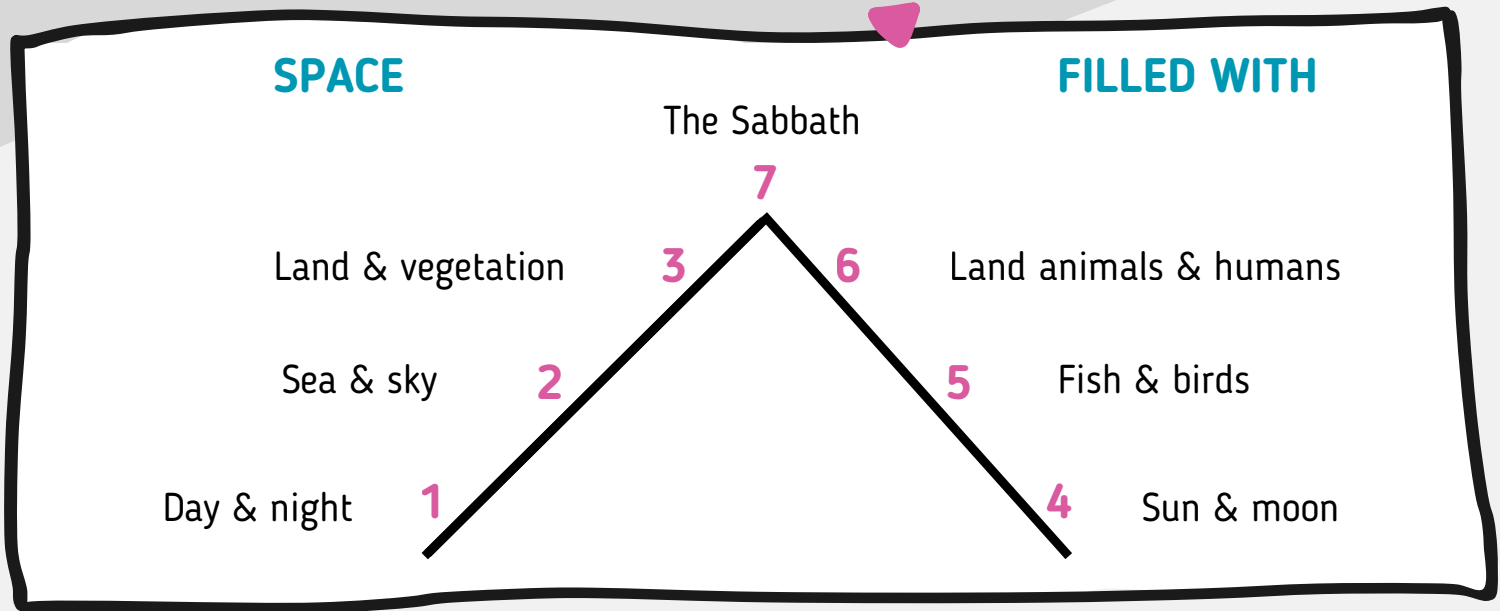

There is a fun pattern used in the Bible which often points to something specific, to emphasise it. This is called a chiasmic structure, which means that a point can be highlighted in the middle of ideas that are **re:peated** in **re:verse** order.

Let's look at an example and it should make more sense.

Read through **Genesis 1:1-2:3** and write what God created on each day next to the numbers below.

Hopefully you will have written something like this...

On the first 3 days, God forms physical **SPACES**.

On the next 3 days, God **FILLS** those spaces with material things.

Do you see the connections??

The **space** of day gets **filled** with the sun.

The **space** of sea gets **filled** with fish.

But what about the Sabbath? Can you see how it is emphasised at the top of the chiasm?

At the pinnacle of it all, God creates a **different** type of space.

The Sabbath is a **space** of TIME which gets **filled** with **re:relationship**, sanctity and blessing.

The chiastic structure highlights the grand focus point of creation which was **the Sabbath**.

This is the only day of creation that happens again and again, where the space is filled in the same way each week. (*Days 1 - 6 still happen, but the sea and sky aren't being created every week for example*).

? What could the Sabbath be a weekly **re:minder** of?

? What does it mean to you that the focus of creation was 'togetherness'?

? What other special elements about the Sabbath do you notice in the creation story?

? What is the difference between 'observing' and 'experiencing' the Sabbath?  
Which one do you do mostly?

**Exodus 20** and **Deuteronomy 5** are the 2 places in the Bible where the 10 commandments are written.

However there is 1 difference in the recounts. Yep, you guessed it.

It is to do with the fourth commandment, which is about the Sabbath.

- Read both versions and write the differences below.

### **Exodus 20:8-11**

---

---

### **Deuteronomy 5:12-15**

---

---

- ? How important is the Sabbath, if it is one of the 10 commandments?

The Sabbath is a **re:minder** of CREATION (Exodus 20) and **RE:DEMPTION** (Deuteronomy 5).

- It is a taste tester for what is to come.
  - How it was in the start is how it will be in the end.
    - We will have full TOGETHERNESS with God and each other.

Read **Matthew 11:28-30** and fill in the blanks for **V28**.

' \_\_\_\_\_ to me, \_\_\_\_\_ you who are \_\_\_\_\_ and \_\_\_\_\_, and I will \_\_\_\_\_ you \_\_\_\_\_.'

Read **Isaiah 58:13-14** and fill in the blanks for **V13**.

“If you keep your feet from \_\_\_\_\_ the Sabbath and from \_\_\_\_\_ as \_\_\_\_\_ on my \_\_\_\_\_ day, if you call the Sabbath a \_\_\_\_\_ and the Lord’s holy day \_\_\_\_\_, and if you \_\_\_\_\_ it by not going your own way and not doing as \_\_\_\_\_ or speaking idle words.’

- ? What does it mean to break the Sabbath?
- ? Can the Sabbath be any day? Why or why not?

**Fun Fact:** Erev Shabbat (Hebrew), means "Eve of Shabbat", which is Friday evening at sunset, signalling the start of the Jewish Sabbath.

“For so many years I got it wrong. I used my Sabbath to prepare for the rest of the week, when I should have used my week to prepare for Sabbath.”

- Kathi Lipp

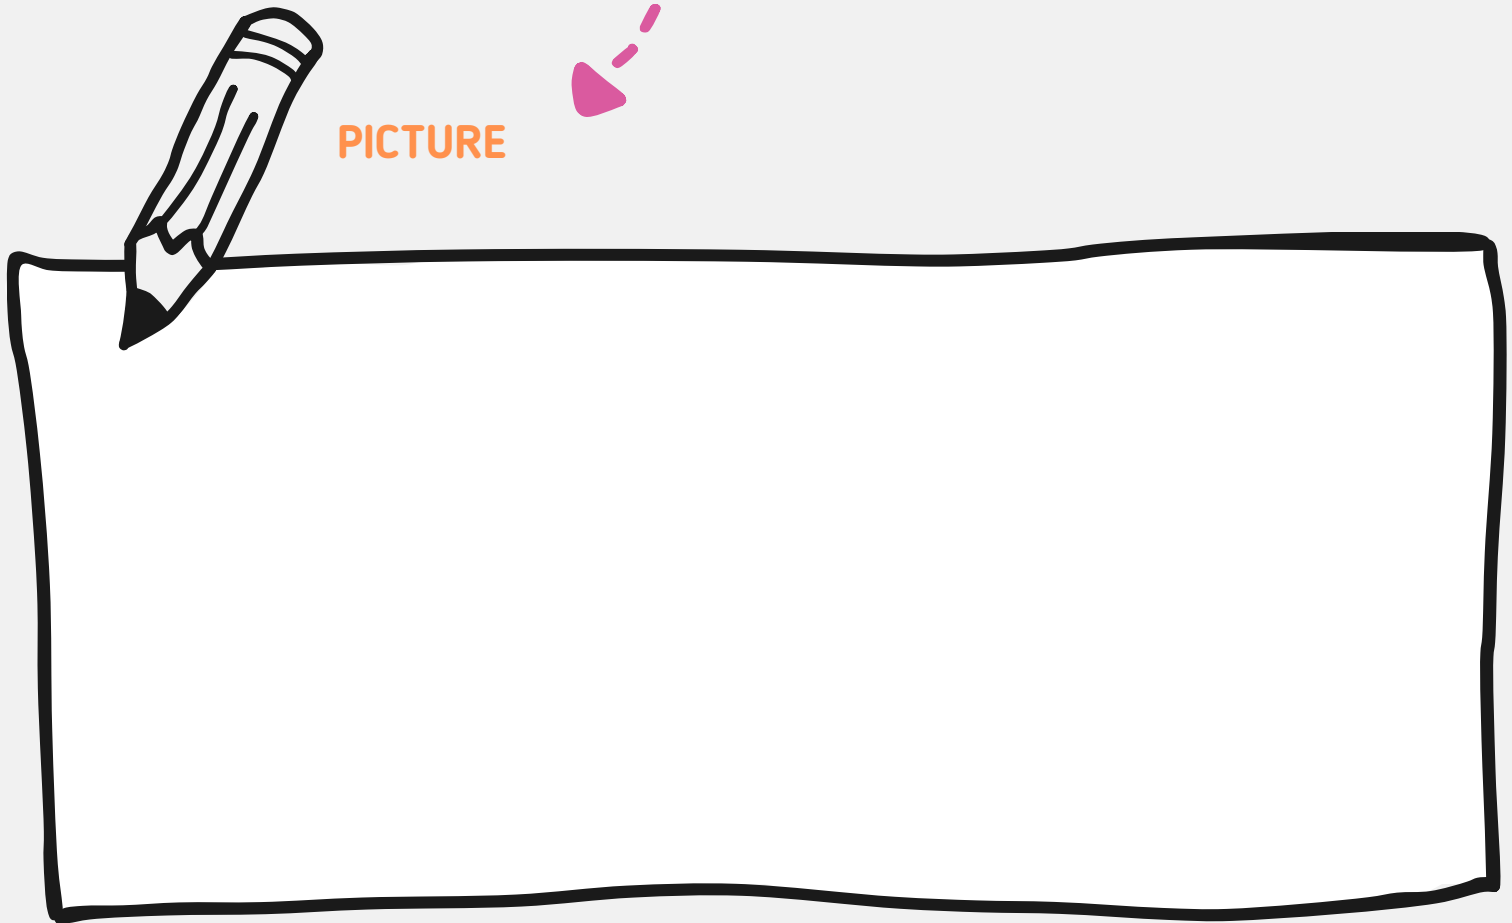

? What does the fact that Sabbath is the focus of creation, it is the only day that was blessed, and that it is one of the 10 commandments, suggest about its importance?

? The 10 commandments highlight that the Sabbath is to be observed and re:membered. Why do you think those 2 points are brought up?

? Have you ever felt that the Sabbath was a burden or boring?  
What if we **re:**framed our thinking? Instead of thinking of what we feel we aren't allowed to do on Sabbath, we thought about all the things we GET TO DO.  
EG. I get to **re:**lax and not feel pressured to stick to the everyday routine.  
I get more time to spend with my friends and family.  
I don't have to do homework and think about work.

## PONDER

- After learning more about the Sabbath as 'togetherness time with God', how will you **re:connect** with God more intentionally?

## WORD

*Summarise this time together in 1 word or sentence.*

*What is something you want to **re:member**?*
